

## Learn About the International Coalition for the Responsibility to Protect

The International Coalition for the Responsibility to Protect (ICRtoP) was founded on 28 January 2009 by representatives of eight regional and international non-governmental organizations (NGOs).

The Coalition brings together NGOs from all regions of the world to strengthen normative consensus for RtoP, further the understanding of the norm, push for strengthened capacities to prevent and halt genocide, war crimes, ethnic cleansing and crimes against humanity and mobilize NGOs to push for action to save lives in RtoP country-specific situations.
