

**"More Than One Million Pains": Sexual Violence Against Men and Boys on the Central Mediterranean Route to Italy.**

Women's Refugee Commission

March 2019

ICRtoP coalition member, Women's Refugee Commission (WRC), published its latest report on sexual violence and torture of migrants in Libyan detention centers. The study examined the nature and characteristics of sexual violence perpetrated against women as well as men and boys, on the central Mediterranean route to Italy. This study was conducted against a background of measures that the EU and its members, particularly Italy, enacted to stem the flows of migration.
