

Implementing the Responsibility to Protect in Asia Pacific: An Assessment of Progress and Challenges

Asia Pacific Centre for the Responsibility to Protect (APR2P)

19 December 2018

Coalition and Steering Group Member, the Asia Pacific Centre for the Responsibility to Protect, released its report on the implementation of the RtoP principle in the Asia Pacific. In addition to its regional assessment, the report provides country assessments, indicating areas of strengths and weaknesses for each case study.

The full report can be found [here](#) .
