

Meet the Author - Kofi Annan on his new book "Interventions: A Life in War and Peace"

In discussion on his recent book, "Interventions: A Life in War and Peace" former UN Secretary-General Kofi Annan reflects on the development of RtoP, noting that 'some crimes are so shameful, so unacceptable that we cannot sit back and let governments use sovereignty as a shield.' See this link to hear more on the book, and the Q&A that includes more on RtoP!
