

United Nations Secretary-General Report - Mobilizing collective action: the next decade of the responsibility to protect

Office of the United Nations Secretary-General

16 August 2016

In August 2016, UN Secretary-General Ban Ki-moon released his eighth and final [report](#) on RtoP. The report analyzes the challenges facing the mobilization of collective action to prevent and respond to atrocity crimes and then proposes ways in which such obstacles might be overcome. The report also highlights the great

"potential power of concerted and principled international action"

has for overcoming these challenges and protecting populations from genocide, ethnic cleansing, war crimes, and crimes against humanity.
